

Dedicated to support the smart systems industry and community in Europe, INSSIGHT is pleased to offer you 50% discount to register to the LETI 50 years event.

INSSIGHT is dedicated to foster successful integration of smart systems in a broader spectrum of products and applications. This is the reason why we are pleased to facilitate your participation to LETI Innovation Days. This event attracts key international executives eager to learn more about the latest tech trends and developments and discover how tech innovation can be brought to market.

For the 50th anniversary of LETI, we are pleased to offer you a 50% discount on your registration with this promotion code: **INSSIGHT**

## **BLUMORPHO is partner of the INSSIGHT project.**
